

Group Benefits

Plan member website registration

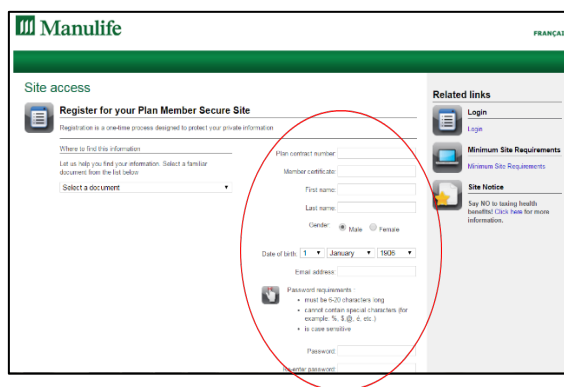

Enjoy the convenience of managing your benefits online through Manulife's group benefits website. Simply follow this one-time process to register and get started!

 You'll need your Manulife Plan Contract Number and Certificate Number to register. The numbers are displayed on the front of your Manulife benefits card.

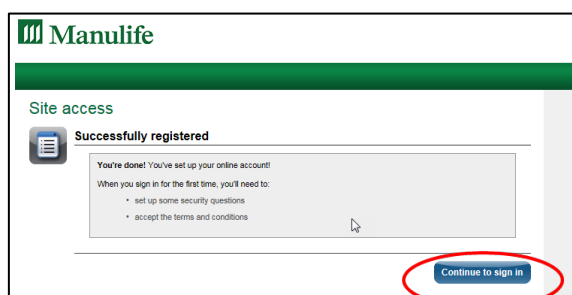

Step 1

Visit manulife.ca/planmember and click Register now.

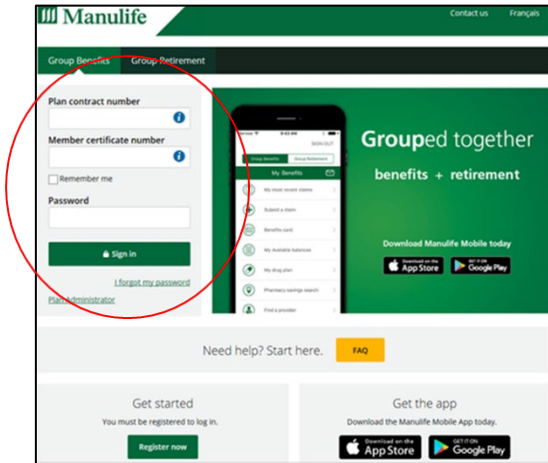

Step 2

Fill in your personal information, create a personal password and click **Submit**.

Step 3

Click Continue to sign in.

Terms and conditions

Terms and conditions

Your continued use of this site indicates your ongoing acceptance of these terms and conditions.

Manulife Financial Group Benefits Plan member secure site is not intended to be a comprehensive explanation of your group benefits. You are to refer to your Benefit Booklet for more information, or contact your plan administrator or the person responsible for administering your benefits plan, to resolve any questions you may have requiring a detailed description of the benefits covered under your plan.

In the role of administering your benefits plan, your plan administrator may access your information on this site.

7. Change of these terms and conditions

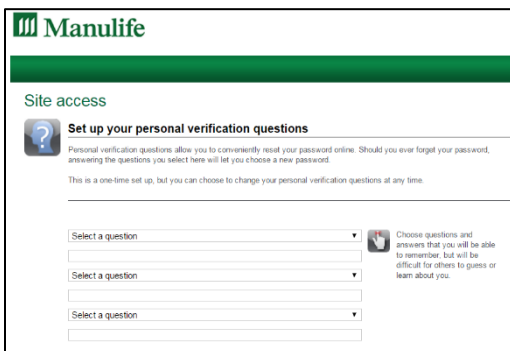

Manulife Financial may change these terms and conditions and the services provided by this site from time to time. You will be required to agree to accept these changes on the effective date in order to continue using this Site.

Manulife Financial has the right to rescind or discontinue your access to this site at any time without explanation to you.

[I decline](#) [I accept](#)

Step 5

Read the terms and conditions and click **I accept**.

Set up your personal verification questions

Personal verification questions allow you to conveniently reset your password online. Should you ever forget your password, answering the questions you select here will let you choose a new password.

This is a one-time set up, but you can choose to change your personal verification questions at any time.

Select a question

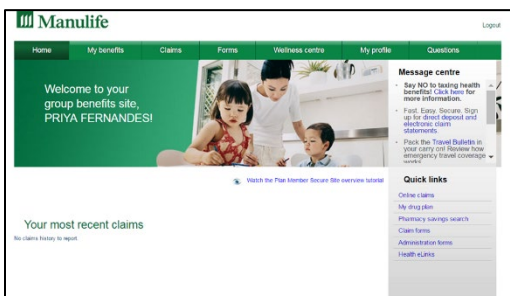

Select a question

Select a question

Choose questions and answers that you will be able to remember, but will be difficult for others to guess or learn about you.

Step 6

Set up some personal verification questions. These will be used if you forget your password in the future and need to reset it.
